Components of an HR Outsourcing Solution

If you are new to the idea of outsourcing part of all of your Human Resources needs, you might be wondering "what will I get"? The below illustration depicts the components of an Human Resources Outsourcing solution. Note that some components may differ based on the agreement you have with the Human Resources Outsourcing company.

Risk Management

- ✓ Employer Liability
- ✓ Safety Plan
- ✓ Risk Assessment
- ✓ Unemployment
- ✓ Workers' Compensation Audit
- ✓ Harassment Training

Employees Only provides Human Resources Outsourcing (HRO) solutions. We work with business owners, HR Managers and company Presidents who are frustrated with administrative tasks that do not create revenue, are tired of managing benefits and employee issues and are interested in making improvements in their organization that result in increased profit. More information can be found at <u>www.EmployeesOnly.net</u>.
